

ETHIOPIAN TEWAHEDO • BONUS STUDY

Jubilees

Sacred time, covenant, and a remembered identity

AUTHORSHIP · Anonymous; presented as revelation to Moses

DATE & CONTEXT · Usually dated to the second century BC

The big picture

Jubilees retells the story from creation through the early Exodus, arranging history in periods of seven and forty-nine years. It expands familiar narratives and gives sustained attention to worship, family, law, and the calendar. Compare it with Genesis to notice both shared stories and the distinct concerns of this ancient work.

Reading to explore

Jubilees 1-2; compare Genesis 1-2

Reading references are not quotations. Names, contents, and numbering can differ between editions.

Live it

- 01 Give one daily routine a deliberate pause for gratitude.
- 02 Ask how your schedule reflects what you say matters.
- 03 Read a familiar Genesis passage beside its retelling and note differences.

Pause & reflect

What do my repeated habits teach me to remember?
